A photograph of Linus Torvalds

Biography

Linus Torvalds is a Finnish-American software engineer who is the creator and principal developer of the Linux kernel, which is the kernel for a number of operating systems. He was born on December 28, 1969 in Helsinki, Finland. He studied computer science at the University of Helsinki, and he developed the Linux kernel as a student project in 1991. Since then, the kernel has become the world, powering everything from smartphones to supercomputers.

Achievements

- 1991 - Created the Linux kernel and the version control system Git
- 2004 - Named one of the 100 most influential people for the year by Time magazine
- 2010 - Received the Turing Award for his work on the Linux kernel
- 2010 - Received the 2010 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2013 - Received the 2013 IEEE Computer Society Lifetime Achievement Award
- 2014 - Named one of the 100 most influential people for the year by Time magazine
- 2015 - Received the 2015 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2016 - Received the 2016 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2017 - Received the 2017 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2018 - Received the 2018 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2019 - Received the 2019 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2020 - Received the 2020 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2021 - Received the 2021 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2022 - Received the 2022 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2023 - Received the 2023 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
- 2024 - Received the 2024 ACM SIGPLAN Award for Lifetime Achievement in the Field of Programming Languages
